JETS GIVE COACH "O" 100TH WIN

Coach "O" began his head coaching career at old Brilliant High on September 9, 1967. There, on opening day, he guided the Blue Devils to a 20-2 win over Mt. Pleasant.

Some two decades later, including a 10-year stint at Bellaire, Coach "O" racked up Victory No. 100 as his Jets swamped Mingo, 22-0 on October 3, 1986 during a driving rainstorm.

A torrential downpour which began midway through the opening quarter continued through much of the second half. I would have sat through anything for this," Coach "O" stated. "When you win, you certainly don't notice the elements as much."

The Jets were led offensively by the running of Dave Russell and Jim Fulton and the passing of Trent Moore to Russell, J. R. Yeater, and Mike Menges. Stellar defensive efforts were turned in by Corey Hall, Mike Menges, Mike Higgenbotham, Ron Butts and Alan Amos who returned an intercepted pass 36 yards for a TD.

Close-Up is a foundation which sponsors an intensive study of our government at all levels. People of all ages and from all parts of the country participate in the program.

The Close-Up experience included many activities. The trip included seminars on such topics as foreign relations, defense, the media, and a debate between liberal and conservative elements of Congress. The trip also included visits to government buildings such as the Capitol and the White House.

The students all agreed that the trip was an excellent educational experience and a lot of fun as well. The Advisor was Carol Laposta.

The FHA, Future Homemakers of America, is a group of young people learning skills that will help them become responsible adults.

This year the FHA had a number of successful projects that benefited, not only the local group, but community organizations as well. Two examples were a visit to the Bell Nursing Home and a fund raiser for the Resource Development Fund at Children's Hospital in Columbus. Union Local's FHA sent the 7th largest check in the state to Columbus.

In Regional Rally competition, the Jets received 1st Place Awards in Planning Process, Team Demonstration, Illustrated Talk, and brought home an Award of Merit. Second Place ratings were achieved in Consumer Decision-Making, Job Application and Interview, and State Projects Display.

At the State Convention U. L.'s Chapter was honored as the top chapter in the State for projects dealing with the March of Dimes.

Closely related to FHA is Home Economics. Pictured on this page are several Home Economics students participating in various activities. In the pictures directly above, Renee Blake and Ron Berry are "united in marriage" by Rev. John Jackson in a mock wedding ceremony. The pictures above and lower right show Smokey the Bear and Home Economics students Robbie Parrish and Bill Ivey helping with the Play School Program. Reception of this degree puts him into an elite group as only a small percentage of FFA'ers across the State are accepted.
